## BRAKING AREA LIGHTING

During recent weeks we are pleased to announce that we have completed the braking area lighting upgrade thanks to Craig Davis (CCD Electrical), Darryn Bromley (Thorne Lighting) and the dedicated volunteers of Leith Darrach and Ray Joy-Warde. This is a great initiative that has reduced the cost and burden of temporary lighting in the area and improved visibility for our competitors.

It would not have been possible without the assistance of Craig and Darryn and we are very appreciative of their support.

## REMINDER - SHANNONS EXTRAVAGANZA

The Shannons Motoring Extravaganza is on again this year from 24-25<sup>th</sup> May. This is the perfect opportunity to showcase your car or bike and promote our great sport.

We are looking for cars or bikes to display and people to help man the stall throughout the weekend.

If you are interested in being part of the display drop us an email for all the details - [mail@hiddenvalleydrags.com](mailto:mail@hiddenvalleydrags.com)

## CLUB TRACTOR FOR SALE

Last year we retired our old 60hp Iseki tractor which is now up for sale. If anyone is in need of a 2wd tractor please get in touch with us and make an offer.

## INCREASE TO SPORTS VOUCHERS

The Minister for Sport, Recreation and Racing Matt Conlan has announced an increase in the Northern Territory Sport Voucher Scheme.

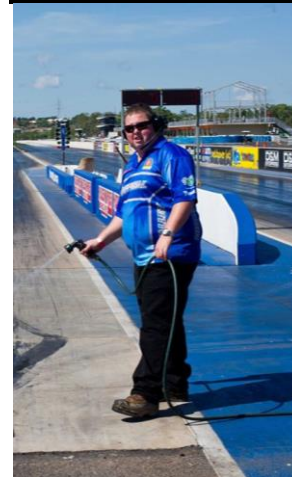

The Government has decided to increase the Sport Voucher from \$75 to \$200 a year with:

- \$100 Vouchers issued to parents twice a year in January and July; and
- The scheme expanded to include more sports, recreation and arts and cultural activities.

The new changes will come into effect from 1 July 2014, until then the current \$75 Sport Voucher scheme remains in place.
